Comm. Amdt. _____

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 50-1-103(e)(1), is amended
by deleting the current language in its entirety and by substituting instead the following:

(1)

(A) The provisions of this section shall be enforced by the
department and may be enforced by local law enforcement agencies.

(B) The provisions of this section shall be applicable only to
accredited local law enforcement agencies pursuant to the terms of a
memorandum of understanding entered into by the county within which
that law enforcement agency is located and the United States department
of homeland security concerning the enforcement of federal immigration
laws, detention and removals, and investigations in such county. Nothing
in this section shall be construed to require any county to enter into any
such memorandum of understanding.

(C) With the approval of a county who has entered into a
memorandum of understanding, appropriate law enforcement officers
shall be designated from accredited local law enforcement agencies
within that county who, by written designation and recommendation of a
commanding officer, shall be trained pursuant to such memorandum of
understanding, and shall not exceed one (1) officer per law enforcement
agency.

(D) Funding for such training shall be provided pursuant to the
federal Homeland Security Appropriation Act of 2006, Public Law 109-90.

(E) For the purposes of this section, local accredited law
enforcement officers certified as trained in accordance with a

memorandum of understanding between a county and the United States department of homeland security are authorized to enforce federal immigration laws while performing within the scope of their authorized duties as an accredited local law enforcement agency.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
